BUDGET MESSAGE

Attached please find a copy of the adopted 2024 budget for the Conservatory Metropolitan District.

The Conservatory Metropolitan District has adopted three separate funds, a General Fund to provide for general operating and landscape maintenance expenditures and transfers to the Capital Projects Fund; a Capital Projects Fund to provide for the estimated infrastructure costs that are to be built by the district and to maintain reserves for future capital improvements; and a Debt Service Fund to provide for payments on the outstanding general obligation debt.

The district's accountants have utilized the modified accrual basis of accounting, and the budget has been adopted after proper postings, publications and public hearing.

The primary sources of revenue for the district in 2024 will be property and specific ownership taxes. In 2024, the district intends to impose a mill levy on all property within the district totaling 36.012 mills, of which 17.856 mills will be dedicated to the General Fund and the balance of 18.156 mills will be allocated to the Debt Service Fund. 1.351 mills of the 17.856 mills dedicated to the General Fund is restricted for regional improvements per an intergovernmental agreement with the City of Aurora.
